

**Record Sheet 11**

# Time/Temperature Log (Manufacturing)

(more sheets are available at [www.foodsmart.vic.gov.au](http://www.foodsmart.vic.gov.au))

This record is to used by the Food Safety Supervisor for food or drink undergoing a manufacturing process. The record should be used for each batch of foodstuffs. Fill in the Process as per the Process Sections selected for your Food Safety Plan and record the times and temperature for those processes where time and temperature are relevant.

Food Item	Process																
	<b>Date</b>																
		Start	End	Start	End	Start	End	Start	End	Start	End	Start	End	Start	End	Start	End
	Time																
	Temp °C
