- This record is used to record when maintenance on your premises and equipment has occurred
- All Equipment and temperature measuring devices need to be calibrated. Check the **Maintenance & Calibration section** of the **Standard Operating Procedures** in your Food Safety Program for how this can be done.

Record Sheet 5

Maintenance & Calibration

(more sheets available at www.foodsmart.vic.gov.au)

Date of Service	Equipment	Description of maintenance done	Calibration Done	Carried out by
30/03/03	*Fridge*	*Thermometer calibrated*	*Yes*	*Bill's Calibarators P/L*
